Center Canyon comes in from the east and was the location of another sawmill. Between this canyon and Dead Horse Flat, Cory Hanks, who was so cruelly maimed in a giant-cap explosion, had a little store and there he lived with his mother. Next Turner Canyon comes in from the west where Turners owned a sawmill. Then Rowe Hollow, which supposedly got its name because Indians and white men had a skirmish there. Three Forks, one canyon from the east, two from the west comes in next. Here John Turner had another sawmill; then comes McQuire Canyon from the east where Patrick McQuire built a sawmill.
